Dear Parent(s),

As we reach the end of another school year, I would like to take this opportunity to thank you all for your help, support and interest this year. We have had another busy year in the school and you as partners in your child's education deserve great acknowledgement for that.

I would like to acknowledge the dedication and hard work of the staff of Toonagh NS during this school year. We are very fortunate to have such dedicated, caring and hardworking teachers in our school who did fantastic work this year with the children. The teachers work very hard to give your child a wonderful experience while in Toonagh NS. Our teachers and SNAs deserve great credit for the excellent rounded education and outstanding care that they give to our pupils in Toonagh.

The 6th class were an excellent class in so many ways who had numerous achievements during their time in our school. They did very well with Ms. Cullinan and Mr. Kelly this year and worked to the best of their ability.

Children can continue to use the Accelerated Reader (AR) Programme during the summer and take quizzes if they wish to. AR takes place in the classes from 2nd – 6th and the children did fantastic reading all throughout the year, an amazing **37 million words and 2203 books** were read by the children in Toonagh NS this year!

Also well done to the children in Juniors, Seniors, 1st and 2nd class who did fantastic reading with the PM Levelled Readers throughout the year and a vast amount of books were read each week in these classes. The children are reading at their instructional level and they are progressing very well with their reading through achieving success and understanding.

Schools have been asked to let parents know about Clare County Library's Children Summer Reading Programme. This programme is a great initiative aiming to promote reading amongst children over the summer holidays. Please see the attached a poster from Clare County Library for more details.

Return of School Library Books

Please return this week any school library books that may still be at home. Our Accelerated Books have a sticker in front of them with a reading level. PM Levelled Readers (Junior Infants – 2nd Class) have a reading level on the back of the book and most have a school stamp. We need to sort our school library this week. Thank you.

Donation of School Uniforms

We will take second hand school uniforms here at school if anyone no longer has use for them. It is always useful for us to have some spare uniforms here at school. Thank you.

Sports Day and Student Council Bake Sale

We had a most enjoyable sports day on Friday last in good weather. The children had a great day and took part in many sporting activities. The Ice Cream Van arrived to the delight of the pupils. We concluded the day with our fun obstacle course. The Parents Association also provided us with fruit and water throughout the day. Thanks to Seán and the teachers for organising a great day of sport for the children.

Parents Association (PA)

The Parents' Association did a huge amount of work this year, most notably the fantastic family fun bingo fundraiser for our new sensory room. A lot of fundraising was done this year and this helped to fund many new school resources for the children including new sports equipment, library books, PM readers, iPads and Science equipment. The Parents' Association also covered the cost of all the school tour buses.

Thanks to the Parents' Association, Lourda Flanagan, Laura Cahir Treasurer and Fiona Keane for coordinating so many events for the school this year. They were very well assisted by many parents who helped out throughout the year. There is a very good hard-working committee of parents who help our PA. I would also like to thank all the parents, for your wholehearted support of all fundraising initiatives and PA events that have taken place throughout the year.
